Member Comments:

Absolutely, and unequivocally, perfect. Parke Wagner and his team were exceptional throughout every aspect of this project. Initially we were unsure we had the budget for our dream, but Parke was amazingly thorough and his work, and billing, matched his estimates at the beginning of the job. Initially, we did not include the hardwood floor installation but the exacting perfection with which Parke Wagner executed the fireplace/shelving unit design and installation convinced us quickly that Shade Tree Service, Inc was the right company to do the additional work we desired. With the expert help of Shade Tree and Parke Wagner we have a transformed home that exceeds our expectations and perfectly fits our budget. Please understand, in the beginning we were unsure how to proceed, unsure how much it would cost, unsure what were the right materials to choose -- our blessing is that we found Shade Tree and Parke Wagner here on Angie's List and it could not have worked out better. Parke was consistently professional, always available for advice, many times found us better deals and options on materials, always ready to offer sound advice on the many options that must be considered in a remodeling job of the size and scope we needed. SHADE TREE SERVICES is your right choice. Parke Wagner is GOOD 2 GO. We offer that you can contact us anytime for personal reference regarding the work we have just finished with Parke at brassobob@hotmail.com. I will send you before & after pictures of the work he has done for us. We have other projects for our home in the coming months and I assure you we will not look for other general contractors, we will use SHADE TREE SERVICES. Trustworthy, dependable, reliable, absolutely, the best!
